

# **EIGHT YEARS OF GUANTANAMO: AMERICA'S SHAME**

**In the spirit of  
Martin Luther King:**

## **Shut Down Guantanamo!**

The prison at Guantánamo has been at the center of the shameful incarceration of kidnapped foreign nationals. Detainees' fundamental legal rights are ignored and prisoners have been subjected to systematic torture.

**Dr. King ended his Letter from the Birmingham Jail:  
Let us all hope that the dark clouds... will soon pass away and the deep fog of misunderstanding will be lifted from our fear-drenched communities, and in some not too distant tomorrow the radiant stars of love and brotherhood will shine over our great nation with all their scintillating beauty.  
Yours for the cause of Peace and Brotherhood,  
Martin Luther King, Jr.**
